

Hi [INSERT NAME OF PARENT],

Did you know if you enable the [Canvas Alexa Skill](#), you can access school announcements and homework updates from home, by asking Alexa using any Alexa device or the Alexa app? Once enabled, you can ask, "Alexa, are there any updates from the school?" or "Alexa, does Jamie have any homework due today?" and Alexa will respond with school information that's available from Canvas Parent.

Follow the steps below to set up:

1. [Click here](#) to enable the Canvas skill from the Alexa app.
2. On the Canvas skill's page, click "Enable."
3. Find your school/district in the drop down menu.
4. Login using your Canvas Parent app credentials.
5. Select "Authorize" to complete account linking.

Don't have the Alexa app? Download it by searching for "Amazon Alexa" within the app store on your device. Install the app and login using your Amazon credentials.
