

“Alexa, does Hannah have any school messages?”

Dear parents,

For this new school year, we want to share the Infinite Campus Alexa skill. With the Infinite Campus skill, you can get school updates and homework information by asking Alexa. Using the Alexa app or any Alexa device, you can ask *“Alexa, does Hannah have any school messages?”*, *“Alexa, does John have any homework?”* or *“Alexa, what do the kids have due tomorrow?”*. Alexa will respond with information available through your Infinite Campus account.

To get started, follow the steps below to set up.

Scan the QR Code to enable the Infinite Campus skill within the Alexa app.

Don't have the app? Download it by searching for "Amazon Alexa" within the app store on your device. Install the app and login using your Amazon credentials.

1. On the Infinite Campus skill's page, click "Enable To Use."
2. Next, follow the prompts to link your Infinite Campus Parent account and click "Submit."

If you don't have an Alexa device, you can download the latest version of the Alexa app, login with your Amazon account, and follow the steps above to set up. Once set up, just open the Alexa app or use your Alexa device and start asking Alexa for school updates.
