Thank you for your support and we hope this feature will help parents and students stay connected and informed for this school year.

Sincerely,

The Alexa Education Team

Alexa, are there any updates from the school?"

Dear parents,

For this new school year, we want to share the Kickboard Alexa skill. With the Kickboard skill, you can get school updates by asking Alexa. Using the Alexa app or any Alexa device, you can ask *"Alexa, are there any updates from the school?"* or *"Alexa, are there any school messages?"*. Alexa will respond with information available through your Kickboard account.

To get started, follow the steps below to set up.

Scan the QR Code to enable the Kickboard skill from the Alexa app.

Don't have the app? Download it by searching for "Amazon Alexa" within the app store on your device. Install the app and login using your Amazon credentials.

1. On the Kickboard skill's page, click "Enable To Use".
2. Next, enter your Kickboard Family Portal credentials.
3. Select "Authorize" to complete account linking.

If you don't have an Alexa device, you can download the latest version of the Alexa app, login with your Amazon account, and follow the steps above to set up. Once set up, just open the Alexa app or use your Alexa device and start asking Alexa for school updates.
