

Dear teachers,

Thank you for downloading the ParentSquare Digital Kit. Below is an overview of the content and how you can use each component of the kit.

Page 2 | Explainer Letter

Print and distribute this letter to provide parents with an overview of the ParentSquare skill. You can access an editable text version of the letter [here](#). Just remember to add in your name at the end.

Page 3 | Email Template

Use this email template to reach parents digitally. You can access a text version of the letter [here](#). Just copy and paste the text into your preferred email system.

Page 4 | Staff Room Poster

Share the benefits of how parents can use Alexa and the ParentSquare skill with your fellow teachers. You can print a copy of the poster and put them on display or send digitally via email.

Page 5 | Digital Flyer

Use this flyer to provide parents with how-to-setup instructions for the ParentSquare Alexa skill. You can print the flyer or email a copy to parents.

Thank you for your support and we hope this feature will help parents and students stay connected and informed for this school year.

Sincerely,

The Alexa Education Team

“Alexa, does Hannah have any school updates?”

Dear parents,

For this new school year, we want to share the ParentSquare Alexa skill. With the ParentSquare skill, you can get school updates by asking Alexa. Using the Alexa app or any Alexa device, you can ask *“Alexa, does Hannah have any school updates?”* or *“Alexa, are there any school messages?”*. Alexa will respond with information available through your ParentSquare account.

To get started, follow the steps below to set up.

Scan the QR Code to enable the ParentSquare skill from the Alexa app.

Don't have the app? Download it by searching for "Amazon Alexa" within the app store on your device. Install the app and login using your Amazon credentials.

1. On the ParentSquare skill's page, click "Enable To Use."
2. Login using your ParentSquare app credentials.

If you don't have an Alexa device, you can download the latest version of the Alexa app, login with your Amazon account, and follow the steps above to set up. Once set up, just open the Alexa app or use your Alexa device and start asking Alexa for school updates.

For more information, visit www.alex-edu.com/parents.

Sincerely,

Hi [INSERT NAME OF PARENT],

Did you know if you enable the [ParentSquareAlexa Skill](#), you can access school announcements from home, by asking Alexa using any Alexa device or the Alexa app? Once enabled, you can ask, "Alexa, does Hannah have any school updates?" or "Alexa, are there any school messages?" and Alexa will respond with school information that's available from ParentSquare.

Follow the steps below to set up:

1. [Click here](#) to enable the ParentSquare skill from the Alexa app.
2. On the ParentSquare skill's page, click "Enable."
3. Login using your ParentSquare app credentials.

Don't have the app? Download it by searching for "Amazon Alexa" within the app store on your device. Install the app and login using your Amazon credentials.

For more information please visit: www.alex-edu.com/parents

Best regards,

TEACHERS

KEEP PARENTS IN THE LOOP WITH ALEXA & PARENTSQUARE

Did you know that there's a convenient way to keep parents informed? With Alexa and the ParentSquare skill, parents can receive school updates from ParentSquare, just by using Alexa. Don't have an Alexa device? Parents can use Alexa through the Alexa app.

"Alexa, does Hannah have any school updates?"

"Alexa, are there any school messages?"

HOW IT WORKS...

Parents can ask Alexa using any Alexa device or the latest version of the Alexa app.

To set up, parents will need to enable the ParentSquare Alexa skill and link their ParentSquare account.

Once set up, parents can ask Alexa for school updates and get responses with information from the ParentSquare app.

WHAT TO DO NEXT...

Visit www.alex-edu.com/teachers to learn more and download our digital kit to share this feature with parents.
